

ONE HOPE

Host a Wine Tasting Fundraiser

Hosting an event with ONEHOPE is a fun and rewarding way to make an impact in your community. Whether you host a wine tasting in person or virtually, your guests and supporters will enjoy Napa Valley wines while raising money for a cause you love!

REWARDS AND BENEFITS

- 50% off your Tasting Kit
- 10% of the event sales donated to a 501(c)3 nonprofit of your choice
- When an event reaches \$500 or more, the host earns 10% back in rewards that can be redeemed for wine or donated to a ONEHOPE featured nonprofit.

FIVE EASY STEPS!

01. MARK YOUR CALENDAR

Set a date and time for your wine tasting or pick an end date for your Online Fundraiser Page. Your CE will email you a personal link and will guide you through sharing it with your guests.

02. CHOOSE YOUR CAUSE

Select your 501(c)3 nonprofit that you're passionate about, and ONEHOPE donates 10% of the fundraiser sales to your charity of choice!

03. INVITE GUESTS & SUPPORTERS

Personally invite guests and supporters that are wine lovers and do gooders through a personal message or email. Keep in mind, it's always better to share widely to get the best participation and attendance.

04. SHARE YOUR LINK

Get your fundraising started! Share your personal fundraising link all throughout the timeframe your fundraiser is open. Encourage your supporters to share it to make a broader impact as well!

05. EARN REWARDS

After your fundraiser has concluded, 10% of sales will be donated to your cause of choice, and you'll earn an additional 10% back in rewards when your event reaches sales of \$500 or more! Use your rewards for discounts on wine or donate them to a ONEHOPE featured nonprofit.
